In his letter no. 151 S 14.10.1912 the Dy Commr. however reported that there was a slight deviation of the boundary of the Estate, to the South of S. no. 54, so as to encroach upon the Cemetery land. & that there was no objection to allow the fence put up by the Military authorities, to remain without shifting the boundary stones. This suggestion of the Dy Commr. was accepted by Govt in their letter no. R.66-L2-51-10-41 S 3.7.1913. The pumping station is reported to have been built on the portions of the marginally noted Survey Nos.of the village before it was transferred to the Bangalore Taluk. The Khetwar Patrika of 1892-93 of the latter Taluk gives only the particulars of the Survey Nos.appropriated for the purpose. Both the Amildars of Bangalore and Nelamangala report that no references are forthcoming in their offices on the subject. The Superintending Engineer, Water works and the Chief Engineer in Mysore who were also addressed in the matter similarly state that no references are available in their office showing the conditions under which the Pumping Station was permitted to be constructed. The Superintending Engineer suggests that the Assistant Commanding Royal Engineer, Bangalore, may furnish information on the subject.

(2) Maralakunte.- The Amildar of Bangalore reports that the first lease in respect of 199 acres - 30 guntas as per conditions of the agreement expired in July 1918 and that Messrs C.K Lakshman and his borther Venkatapathi who are the Jodidars of the village, executed an agreement on 13th August 1917, leasing out to the Military authorities for a Dairy Farm an extent of 345 acres of land in the village for a period of 5 years from 1st July 1918.

(3) Jarakabande, (4) Ketmaranahalli (5) Laggere.-

The Conservator of Forests in Mysore states that the lands

lands of the above villages included in the Mallegal Valley Plantation have been leased out to the British Grass Farm authorities as per Government order Nos.R.9071-7/Ft.46-06-76 dated 28th February 1917 and R.15623-24/Ft.136-18-3 dated 5th June 1919 and that according to the terms mentioned therein the lease has to run for a period of ten years commencing from 1st April '16. He will be requested to intimate within 3 months after the -- expiry of the period of lease whether the lease has been renewed and if so, under what terms.

(6) Water works near Hebbal camp No.2. - No action is required to be taken on the part of the Deputy Commissioner.

(7) Hebbal Camp No.2. - Land to the Western Southern slopes of the High Ground at Tippu's Look-out south of Hebbal Rifle Range.

The Amildar of Bangalore who inspected the land on 18th June 1920 reports that the conditions laid down are observed, and that as the camp has been removed, the old buildings have all been disposed of and dismantled.

(8) Butts (Rifle Range of Hebbal). - No action is required on the part of the Deputy Commissioner.

(9) Hadugodi.- As regards the extent of 15 acres - 15 guntas of land leased out in the above village, the Civil Officer of Bangalore reports, after inspection that the lands are still used as agricultural lands by the Dairy Farm authorities and that there is no objection to the lease being renewed. No improvements are stated to have been effected in the lands except that they are fenced round by wire. He further reports that there has been no breach of the conditions and no building has been erected on the land. The Director of Agriculture states that there are no exceptional circumstances under which the lease could not be renewed. The Civil Officer has been requested to inspect the land at the close of every year and report result.

MSN

Besides the above Government land, an extent of 70 acres - 16 guntas has also been leased out to the Military authorities for a Diary Farm by three private owners viz.,Mr.Bakewell and Shanbhogue Venkatramaniah and Subbanna. In this connection the Amildar brings to notice that Kharab Survey No.55 measuring 16 guntas which forms the burial ground has been occupied by the Dairy Farm. He has been asked to report the circumstances under which it was so occupied by the Farm.

(10) Haralkunte. - As regards this village it is seen from the Amildar's report that no Government lands have been leased out to the Diary Farm, but that an extent of 52 acres - 12 guntas of private land has been taken on lease by the Farm authorities from its owner Colonel Gunning.

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your communication No.716 dated 10th July 1920 calling for a report on the occupation of survey No.55 of Hadgodi village by the Military Dairy Farm, I have the honor to state as follows:-

2. The Amildar of Bangalore, after personal inspection of the spot in company with the Manager of the Farm, reports with his Itilla No. 198 dated 23rd August 1920, received through the Civil Officer on 13th September 1920, that survey No.55 was formerly used by the villagers as a burial ground. Government in their order No.9542-4/G.M. 171-08-12 dated 31st July 1909 however, prohibited burial here and permitted the villagers to use Survey No.82 for the purpose. A wire fence has been put round survey No.55 by the Farm authorities.

3. The villagers complained that the occupation of this land by the Farm was a hindrance to their offering yearly puja etc,to the old tombs; but when the Manager of the Fram was questioned about this, he assured the Amildar that there was absolutely no objection against the villagers entering on the land. The Amildar says he has made another reference to the Manager in this connection.

4. The report ~~from them~~ furnish states that no references are available to show when and as per what order Survey No.55 came to be included in the area of lands belonging to the Farm. The Manager was not able to throw any light on the point. Perhaps, the Government order quoted above may give a clue to this.

5. Also, a reference to the authorities of the Farm may be of avail

avail in getting at the papers connected with this question.

I have the honor to be,

Sir,

Your most obedient servant.
